NOTES TO THE ABOVE

The unaudited interim quarterly condensed financial statements are in compliance with International Financial Reporting Standards (IFRS) and have been prepared on the same basis as the accounting policies set out in the statutory financial statements of the Group for the quarter ended September 30, 2024, except for the adoption of relevant published Standards and any amendments and Interpretations issued now effective. This communiqué is issued pursuant to DEM Rule 17 and the Securities Act 2005.

As at December 31, 2023, the Company has accounted for a distribution in specie receivable in its own equity instruments. The transaction has been recognised directly in equity with the resulting Treasury shares being deducted from Share Capital, in compliance with IFRS requirements.

RESULTS AND PROSPECTS

The Mauritian and International operations performed well during this quarter. The Group, after accounting for the newly introduced Corporate Climate Responsibility Levy of 2% relating to the year ended 30 June 2024, reported a profit for the quarter ending 30 September 2024 of Rs60M compared to Rs52M for the same period last year.

Given the current market conditions, the Group is expected to post good results for the next quarter.
