Since the Issuer will be making further issuances of Notes, it has made a new application for the listing of the New Notes by way of private placement under Chapter 18 Part C of the Listing Rules, with a first issue of 150,000 New Notes. Permission has been granted by the LEC on 23 March 2022 for the admission of the New Notes for listing on the Official Market of the SEM to be effective as from the Effective Date. Any information on taxation contained in these Listing Particulars is a summary of certain tax considerations but is not intended to be a complete discussion of all tax considerations. The Notes issued or to be issued by the Issuer shall be “credit-linked”, i.e. they reflect the credit risks associated with the Reference Portfolio. This is a major difference from investing in a classic corporate bond which offers exposure to a single name credit.

The Notes are specialist securities (as defined in the Listing Rules) and have been offered by way of preferential offer to investors who are knowledgeable and thereby understand the risks of investing in specialist debt instruments. Investing in the Notes involve a certain degree of risk, including the risk of losing some or a significant part of their initial investment. Investors should be prepared to sustain a total loss of their investment in such securities. The Notes represent general, secured, unsubordinated, contractual obligations of the Issuer and rank *pari passu* in all respects with each other. Purchasers are reminded that the Notes constitute obligations of the Issuer only and of no other person.

The Notes and these Listing Particulars have not been registered under the United States Securities Act of 1933, as amended, or the United States Investment Company Act of 1940, as amended and may not be offered, sold or delivered in the United States of America, or to or for the account of a US Person (as defined hereinafter). Any such investor should consult their professional advisers to determine whether an investment in the Notes could result in adverse consequences to the investor or its related persons and affiliates. All US Persons may have United States tax consequences arising from investing in the Notes.

To the best of its knowledge and belief, the Board (as defined below) has taken all reasonable care to ensure that the information contained in these Listing Particulars is in accordance with the facts and does not omit anything likely to affect the import of such information and the content hereof is as required by law and the Listing Rules. Unless otherwise indicated herein, the opinions expressed in this document are those of the Board.

These Listing Particulars include particulars given in compliance with the Stock Exchange of Mauritius Ltd Rules governing the Official Listing for the purpose of giving information with regard to the Issuer. The directors, whose names appear in Clause 4.2 collectively and individually accept full responsibility for the accuracy and completeness of the information contained in these Listing Particulars and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, these Listing Particulars complies with the Securities Act 2005 (as amended), the Guidelines (as defined below) and the Securities (Preferential Offer) Rules 2017 (as amended), and that there are no other facts the omission of which would make any statement herein misleading.

3.1 **A Diversified Credit Investment Opportunity**

The Notes issued or to be issued by the Issuer shall be “credit-linked”, i.e. they reflect the credit risks associated with the Reference Portfolio. Accordingly, investors in the Notes shall benefit of the exposure to a diversified pool of credit. This is a major difference from investing in a classic corporate bond which offers exposure to a single name credit.

Although the Notes issued shall be long-dated debt obligations of the Issuer, investors in the Notes will have the flexibility to exit their investment by exercising the Put Option under the terms and conditions laid out in these Listing Particulars. Investors shall be aware that the Issuer may, at its sole discretion, redeem all or part of the Notes through the Call Option.

3.2 **The Portfolio Review**

Under the terms and conditions laid out in these Listing Particulars, investors in the Notes shall be aware that under a Circular Notice, the Issuer may add and/or remove one or more Reference Underlying(s) or cause for any variation to the existing Reference Underlying(s) constituting the Reference Portfolio (“**Portfolio Review**”). Such Portfolio Review shall:

- a) be fully disclosed in the relevant Circular Notice in the form of detailed constituents of the Reference Portfolio; and
- b) not be effective until such time as Noteholders have had the option of rejecting the Portfolio Review by exercising a Put Option.

The Notes do not reference, or are not linked to, equities. In the event this strategy is changed (by way of Circular Notice), then CMDC will provide a statement regarding the treatment of corporate actions in the underlying assets.

3.3 **Further Issues**

Subject to a Circular Notice being served and to applicable laws, the Issuer may, at its sole discretion, issue further Notes up to the Maximum Aggregate Nominal Amount. All new Notes issued shall, unless otherwise provided in the Circular Notice, have same rights as, rank *pari passu* with, and be assimilated to, the existing Notes. The Issuer may, from time to time, elect to offer existing Noteholders a right of first refusal (the “**Right of First Refusal**”) in subscribing to the further Notes. Upon the receipt of the Circular Notice and the optional Right of First Refusal, investors may by exercising the option Right of First Refusal (under the terms and conditions laid out in the Circular Notice) increase their subscription to the Notes. A Circular Notice served in accordance with this Clause 3.3 shall be deemed to be a pricing supplement for the purposes of the Listing Rules.

3.4 **Determination of Interest Rate**

Subject to a Circular Notice being served, the Issuer shall have the option of revising the Interest Rate and the Interest Period. In setting out the Interest Rate at each Interest Reset Date, the Issuer shall take into account various market conditions, including but not restricted to (i) the prevailing short-term savings account or bank deposit rates, (ii) the prevailing Government of

Mauritius treasury bill rates, (iii) the prevailing rates offered by other short-term credit investment products (if applicable), and (iv) the rating of the Notes (if applicable).

3.5 **Effects of Circular Notices**

By serving a Circular Notice, the Issuer shall have the right to: (i) change the Interest Rate and the Interest Period, (ii) effect the Portfolio Review, and (iii) make amendments to these Listing Particulars. Noteholders will have the option of rejecting any changes proposed by the Issuer through the Circular Notice by exercising their Put Option.

3.6 **Underwriting Arrangement**

In the event of the exercise of a Put Option by a holder of the Notes in accordance with the terms of these Listing Particulars, the Issuer may elect to redeem, purchase or arrange for the purchase of the Notes. Where the Issuer elects to arrange for the purchase of the Notes in respect of which a Put Option has been exercised, the Underwriter shall purchase, and/or cause for the purchase of, all such Notes.

3.7 **Issuer's Disclosure**

In considering an investment in the Notes, investors shall be aware that several affiliates of the Issuer have been, or are, involved in the structuring, underwriting and distribution of the Notes contemplated herein. Furthermore, the Reference Entities have been assisted by an affiliate of the Issuer (licensed for such activity) in furtherance of the structuring, issue and placing of the Reference Underlyings. Investors are also informed that the directors of the Issuer are employed by and/or are directors of entities within the Issuer's group (its affiliates, parent company and ultimate holding company). Investors need to be aware that BLC Robert & Associates Ltd has been appointed as Noteholders' Representative and also been the legal adviser to the Issuer on a Chinese wall basis. The Issuer was represented that the team advising the Issuer acts independently to the team who is responsible of the Noteholders' Representative services.

- (d) The New CLN shall have as sole Reference Underlying, the Defaulting Reference Underlyings and holders of the New CLN shall have no right whatsoever to interest payments and redemption proceeds calculated at the Nominal Amount per Note. Any amounts recovered will be paid to the holders of the New CLN as soon as practicable.
- (e) Where the Issuer has elected for a Credit Event Transfer, the Issuer will, on the date of the Credit Event Transfer, adjust the Nominal Amount per Note to bring the latter to the Performing CLN Nominal Amount per Note (the “**Adjustment Date**”). For the purposes of these Listing Particulars, the Notes shall accordingly be construed as “Performing CLN” (“**Performing CLN**”) and the holders of the Performing CLN shall, as from the Adjustment Date, be entitled to:

Once the Issuing and Paying Agent has received payment from the issuer on the applicable Maturity Date of the Notes, it shall effect payment of the redemption proceeds through direct transfer into the bank account of the Noteholders.

6.8.5 Re-issue of redeemed Notes

Unless otherwise specified in these Listing Particulars, any Notes redeemed pursuant to this Clause 6.8.5 may not be cancelled and the Issuer shall have the power to reissue those same Notes or other Notes in their place in accordance with section 125 of the Act.

6.8.6 The Issuer, and not the SEM, is responsible for effecting the payments prescribed in these Listing Particulars.

6.9 **Exposure to credit risk of the Reference Entity(ies)**

Investors in the Notes shall bear the credit risk of the Reference Entity(ies) both in respect of the payment of the Interest Amounts and the repayment of the Nominal Amount of the Notes.

The Issuer makes no representation, express or implied, as to any Reference Entity or the credit quality thereof, or any information contained in any documents provided by any Reference Entity or filed by a Reference Entity with any exchange (if applicable).

6.10 **Synthetic Exposure to the Reference Entity(ies)**

Unless in the case of an Event of Default and the enforcement of the Pledge, the Notes do not represent a claim against the Reference Entity or on the Reference Underlyings and, in the event of any loss, Noteholders will have no recourse against the Reference Entity in respect of the Reference Underlyings. Amounts payable under the Notes are limited by or associated with, or linked or calculated by reference to the Reference Underlyings.

6.11 **No Interest or Voting Rights in the Reference Underlyings**

In the absence of an Event of Default:

- (a) the holders of the Notes shall not have any direct interest in, or direct right, to the Reference Underlyings; and
- (b) the holders of the Notes shall not have any voting rights under the terms of the Reference Underlyings or on any matter in connection with the Reference Entity. The Issuer has no obligation to deliver to holders of the Notes any information, communication, notices it may receive regarding the Reference Underlyings.

6.12 **Limited Recourse**

- (a) The Notes are direct and limited recourse obligations of the Issuer ("**Limited Recourse**"). The Issuer's ability to satisfy its payment obligations under the Notes will be wholly dependent upon receipt, in full, of payments under the Reference Underlying. Other than the foregoing and the Credit Enhancement Amount, the Issuer will have no other funds available to meet its obligations under the Notes.
- (b) Recourse to the Issuer shall be limited to the Reference Portfolio, the Credit Enhancement Amount or other assets subject to Security Interest and the proceeds of such assets, as applied in accordance with these Listing Particulars. If such assets and proceeds prove ultimately to be insufficient (after payment of all claims ranking in priority to amounts due under the Notes) to pay in full all principal and interests on the Notes, then, the Noteholders shall have no further recourse against the Issuer or any other person for any shortfall arising or any loss sustained.
- (c) Such assets and proceeds shall be deemed to be "*ultimately insufficient*" at such time when the Issuer certifies to the Noteholders and the Noteholders' Representative that (i) no further assets are available and no further proceeds can be realised therefrom to satisfy any outstanding claims of the Noteholders, and that (ii) neither assets nor proceeds will reasonably likely be so available thereafter.
- (d) The Noteholders shall, once such assets and proceeds are deemed to be ultimately insufficient, have thereafter neither further claims against the Issuer nor have recourse to

the Issuer's directors, shareholders, employees, service providers or agents and their claims shall be extinguished.

- (e) For avoidance of any doubt, the Issuer's directors, shareholders, employees, service providers or agents shall not be liable for any shortfall arising or losses sustained by Noteholders and the Noteholders shall have no rights whatsoever against the Issuer's directors, shareholders, employees, service providers or agents.

6.13 **Method of Payments**

Accordingly, the Noteholder shall forthwith make the necessary arrangements to provide a valid bank account to the Registrar, if it is different to that bank account specified in the Application Form.

In the case of joint Noteholders, payment by electronic funds transfer will be made to the account of the Noteholder first named in the Register. Payment by electronic transfer to the Noteholder first named in the Register shall discharge the Registrar of its relevant payment obligations under the Notes.

If the Registrar is prevented or restricted directly or indirectly from making any payment by electronic funds transfer in accordance with this Clause (whether by reason of strike, lockout, fire, explosion, floods, riot, war, accident, act of God, embargo, legislation, shortage of or breakdown in facilities, civil commotion, unrest or disturbances, cessation of labour, government interference or control or any other cause or contingency beyond the control of the Registrar), the Registrar shall make such payment by cheque (or by such number of cheques as may be required in accordance with applicable banking law and practice) of any such amounts. Such payments by cheque shall be sent by post to the address of the Noteholder as set forth in the Register or, in the case of joint Noteholders, to the address set forth in the Register of that one of them who is first named in the Register in respect of that Note.

Each such cheque shall be made payable to the relevant Noteholder crossed "A/C Payee". Cheques shall be sent by post, provided that the Registrar shall not be responsible for any loss in transmission and the postal authorities shall be deemed to be the agent of the Noteholders for the purposes of all cheques posted in terms of this Clause 6.13.

8. RISK FACTORS

Prior to making an investment decision, Investors in the Notes should carefully consider, along with the information contained in these Listing Particulars, the following risk factors associated with an investment in the Republic of Mauritius, the Issuer and the Notes. The risks and uncertainties below are not the only ones the Issuer and the Noteholders face or may face. Additional risks and uncertainties not presently known to the Issuer, or that the Issuer currently believes are immaterial, could also impair the Issuer's business, financial condition or results of operations and, as a result, its ability to service its payment obligations under the Notes. Investors should pay particular attention to the fact that the Issuer is subject to the legal and regulatory environment of the Republic of Mauritius, which, in some respects, may differ from that prevailing in other countries.

The Issuer believes that the factors outlined below may affect its ability to fulfil its obligations under the Notes, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant by the Issuer based on information currently available to it, or which it may not currently be able to anticipate. Accordingly, the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive.

Investors should also read the detailed information set out in these Listing Particulars to reach their own views prior to making any investment decision. The information given below is as at the date of these Listing Particulars.

An investment in the Notes involves some degree of risk and should be made only after consulting an independent professional (investment, legal, tax, accounting or other) advice.

8.1 **Risks attached to the very nature of the Notes being credit-linked notes**

The Notes which are "credit-linked" to the performance of one or more Reference Entities and the obligations of such Reference Entity(ies). Investors should note that the Notes differ from standard corporate notes in that the amount of principal and interest (if any) payable by the Issuer is dependent on payments received from the Reference Entities in respect of the Reference Underlyings. A Credit Event may occur even when the relevant Reference Entity has not defaulted on any payment it owes. If a Credit Event occurs, the Notes will cease to bear interest and the value paid to investors on redemption may be less than their original investment and may in certain circumstances be zero. The redemption proceeds may also consist in the transfer of the whole or part of the Reference Underlyings to the Noteholders.

The Notes are linked to the creditworthiness of the relevant Reference Entity(ies). The likelihood of a Credit Event occurring in respect of a Reference Entity will generally fluctuate with, among other things, the financial condition and other characteristics of the relevant Reference Entity,

general economic conditions, the condition of certain financial markets, political events, developments or trends in any particular industry and changes in prevailing interest rates. An investor's investment is at risk if a Credit Event occurs in respect of a Reference Entity. Prospective investors should review each Reference Entity and conduct their own investigation and analysis with respect to the creditworthiness of each Reference Entity and the likelihood of the occurrence of a Credit Event with respect to such Reference Entity.

The market value of the Notes will be affected by a wide variety of factors including the financial condition and actual or perceived creditworthiness of the Issuer and each Reference Entity.

8.2 Issuer fails to exercise any claim to the Reference Entity(ies)

Under the terms and conditions of these Listing Particulars, the Issuer, as noteholder, shall have a direct claim against the Reference Entity(ies) under the terms and conditions laid out in the Reference Underlyings Documentation. An investment in the Notes is not equivalent to an investment in the obligations of a Reference Entity.

The Issuer's ability to exercise such a claim may be constrained by a variety of factors including other creditors of the Reference Entity(ies) and the Issuer or the noteholders' representative appointed in respect of the Reference Underlyings being negligent in the enforcement of such claim.

8.3 No active trading market for the Notes

The Notes issued under these Listing Particulars may not be widely distributed and may be subject to limited trading opportunities. The Notes may trade after their initial issuance, trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Reference Underlyings and/or of the Issuer. It will also not be possible to redeem the Notes prior to their Maturity Date except in the limited circumstances as specified in these Listing Particulars. Consequently, an investor in the Notes must be prepared to hold the Notes until either the date of exercise of the Put Option or the Maturity Date. The Notes are/will be listed on the SEM. There will be no market making arrangement in place and no assurance is given on the liquidity of those Notes. .

8.4 Illiquidity upon occurrence of Credit Event

On the occurrence of a Credit Event, the Issuer shall have discretion on the type of redemption proceeds payable to Noteholders. Investors in the Notes shall be aware that they may receive redemption proceeds other than cash by the receipt, *in specie*, of one or more Reference Underlyings or of other credit-linked notes like the Performing CLN and the New CLN to be issued by an affiliate of the Issuer.

8.5 **Unilateral amendment to these Listing Particulars**

The terms and conditions set out in these Listing Particulars may, as a condition to the subscription to the Notes, be amended unilaterally by the Issuer through the Circular Notice. These provisions permit defined majorities to bind all Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority. In addition, the Issuer may, in accordance with these Listing Particulars, make any modification to the Notes and to its Terms and Conditions.

8.8 **Amendment or review to prevailing laws**

There are currently no restriction affecting the remittance of profits or repatriation of funds payable in respect of the Notes in Mauritius from outside Mauritius. Legal and regulatory changes could occur that may adversely affect, in quantum, value or otherwise, any pay out or such other income that may be or become payable in respect of the Notes.

These Listing Particulars and the Notes issued thereunder are governed by, and will be construed in accordance with, the laws of Mauritius. No assurance can be given as to the impact of any possible judicial decision or amendment and, or review of the laws of Mauritius or administrative practice in Mauritius after the issue of the Notes.

8.9 **Changes in taxation legislation**

Any change in the tax status of the Issuer, or in taxation legislation in Mauritius may affect, in quantum, value or otherwise, any pay out or such other income that may be or become payable in respect of the Notes. Investors are recommended to consult their own tax advisers with respect to their particular tax situations and the tax effects of an investment in the Notes.

8.10 **Forward Looking Statements**

These Listing Particulars may contain certain forward-looking statements and descriptions of returns to be achieved. Although these forward-looking statements and objectives are based upon assumptions and researches that the Issuer believes are reasonable, actual results of operations and achievements may differ materially from the statements and objectives set forth in these Listing Particulars.

9. TAXATION OF THE NOTES
