PROPERTIES OF BON HEALTHCARE PROPERTY HOLDINGS PROPRIETARY LIMITED ("BON HEALTHCARE")

Shareholders are referred to the SENS announcement of 22 November 2019 wherein the Company advised that Go Life will be undertaking a comprehensive restructuring of its business. This has been brought about as a result of a number of developments that necessitated a comprehensive review of the business.

The Go Life Board has mandated the CEO to review the possible restructuring and or disposal of the Bon Healthcare Property portfolio and revert urgently to the Board with a recommendation as part of the comprehensive restructure of the business to focus more on consumer focused products and healthcare applications.

Shareholders are advised that it has come to the attention of the Board that the properties of Bon Healthcare have been attached as part of the liquidation of the Charles Calitz Trust ("CCT"). The attachment has been opposed by CCT. It has also been informed that its 49% interest in the frail care operations may have been compromised. The full financial effects to the business are being evaluated. The Company is investigating the background to what occurred and will be taking steps to protect its rights in terms of the properties as well as its 49% interest in the frail care operations.

Go Life has its primary listing on the Stock Exchange Mauritius and a secondary listing on the AltX of the JSE
