Discontinuation of Minimum Fill Order Type on the Automated Trading System (ATS)

The Stock Exchange of Mauritius (SEM) wishes to inform all market participants that, **effective 6 January 2025**, the use of the Minimum Fill order type - both as a standalone order type or as an attribute linked to other orders - will be discontinued on the Automated Trading System (ATS).

This decision follows careful consideration and extensive monitoring of the use of Minimum Fill orders on the SEM markets, in accordance with Procedures 4.5.1, 4A.5.1, and 6.5.1 of the ATS Schedule of Procedures (Trading Procedures).

The SEM is committed to ensuring a fair, transparent, and efficient marketplace for all participants. We appreciate your understanding and cooperation as we implement this change to uphold these principles.
